

Accessing the Learning Center

As a member of the Native CDFI Network, you enjoy many benefits - one being access to the Network's online Learning Center. The Learning Center is a valuable resource where members can access recordings of past webinars and information on various other topics, including policy, asset building, funding, communication, and organizational development.

ACCESS THE LEARNING CENTER IN FOUR EASY STEPS

1. Go to <http://nativecdfi.net/learning-center/>.
2. Click on 'Register' and complete the form.
3. Once your request for registration is approved, you will be emailed a password.
4. Use this password to log into the Native CDFI Network Learning Center.
