

2024 Annual Policy Advocacy Summit Sponsorships

Washington, D.C. | December 11-13, 2024

Your sponsorship means more to us than a transaction – it makes a Difference!

Native CDFI Network (NCN) sponsorships provide desirable marketing and networking opportunities for our supporters. More importantly, based on the sponsorship level, each sponsor has the potential to enable an NCN member who would otherwise not have access to the conference to attend. This means that more Native CDFI leaders and advocates can network, gain access to important policy updates, and be better equipped to expand access to capital and financial services in their communities. Be part of this transformational experience to support economic inclusion in Indian Country. Become a sponsor today.
